

APPEND THIS PAGE TO THE CONTRACTOR'S PREQUALIFICATION APPLICATION FORM:

WWTP Oxidation Ditch Rehabilitation Project
(CIP #706310)

Due to the unique nature of this project, the City has chosen to request additional information with prequalification application form. Contractors who cannot meet the minimum requirements listed below will be found non-responsive. Attach your response to this page(s) with the prequalification application form:

1 – PROOF OF EXPERIENCE

Contractor shall prepare a list of three similar project along with project name, a short narrative of project scope, procurement type, engineer's contact information and owner's contact information.

2 – SAFETY INFORMATION

Provide your Experience Modification Rating (EMR) from 2013 – 2016 and your Recordable Incident Rate (RIR) for 2013 – 2016. Only EMR's 1.0 or less and RIR's 2.0 or less will be acceptable.
